AIA Vermont Membership

Member Architects and Associate Members

Licensed Architects and Associates (Architecture school graduates and interns) must join AIA through a national membership. See this [Membership Application](#) form:

<http://www.aia.org/SiteObjects/files/architect.pdf>

The Application also describes the membership categories. This [link](#) further describes the various **categories** of AIA membership: http://www.aia.org/join_categories

Note: Vermont has no Local Chapters so AIA Vermont member dues are added to AIA national dues to determine the total dues.

First year member dues:	\$70
Second year dues:	\$110
Third year (and, annually, thereafter) dues:	\$150
