Why TimberBatt?

- Thermal, acoustic & moisture performance in one product
- Made in the U.S. from renewable wood fiber
- Flexible, easy to install, and itch-free for more comfortable handling
- Fire resistance (Meets ASTM E84 Class A for flame/smoke)
- Cost-competitive with mineral wool but made with renewable materials

Rebate Details

- \$25 off per pallet (up to 20 pallets)
- Purchase window: Aug 4 – Nov 28, 2025
- Submit rebate online or ask your supplier how to redeem
