

**“Picture It Big” Installation Grants
Request for Proposals
Montpelier Public Art Commission
Issue Date: January 4, 2021**

Overview

The Montpelier Public Art Commission is seeking submissions of digital art by Vermont-based artists that can be printed up to 10' x 20' and displayed on buildings throughout the downtown for up to two years. Artists will be paid \$500 for the right to print and display their work. The Commission is responsible for the cost of printing and installing images. Grants are not limited to any particular style (e.g., photography, abstraction, figurative) and may be created digitally or created by hand and transferred to a digital format. Selected works will be documented, promoted, and included in the Montpelier Art Walk and other city-wide arts events.

Theme: We Are All In This Together

As our community, nation, and world face a growing number of urgent problems, we are increasingly aware that our survival depends on the realization that we must work together. We believe that art has a unique ability to bridge divides and help us realize our connection with one another. As a result, the Commission would like to sponsor works of art that meet this goal. All submissions should be based on this theme.
