

Vermont Homes For All | Emerging Developer Support

Developer Workshops

Upcoming Developer Workshops

Sign up here to join the
mailing list and learn more

Are you curious about how to create housing but don't know where to start? Join us for these free, hands-on workshops designed to give you the tools, knowledge, and connections to move your project forward. Keep an eye out for additional monthly workshops throughout 2027!

Inspiration & Connections

4 November 2026 | 5:30-7:30pm

Join us at Richmond Community Kitchen to learn about free support for emerging developers and to connect with others working to create housing. Hear about small-scale development success stories and leave feeling inspired to do it yourself.

Builder as Developer

13 January 2027 | 5-7pm

Old Labor Hall, Barre
Are you a builder who has thought about getting into small-scale housing development, but you're not exactly sure where to start? Join to learn how you can succeed as a small-scale developer.

Case Study: Project Feasibility

9 December 2026 | 12-1pm on Zoom

Peek behind the curtain to see the draft pro forma, sources and uses review, and decision-making used to decide whether to purchase and renovate a Central Vermont multifamily.

Case Study: Project Financing

16 February 2027 | 12-1pm on Zoom

Learn about different paths to financing a development project through case studies of real projects. You'll understand the pros and cons of various debt and equity sources to small-scale housing development in VT.
