

**Ad:**

Transition Ownership Opportunity: Tektonika Studio Architects seeks an architect to join our office in Stowe, Vermont. Candidate would overlap and transition with the current owner/principal in 2022 to take over responsibility for the management and ownership of this established and thriving practice.

Qualifications for the position include:

- Interest in joining the team and transitioning to practice ownership.
- A minimum of ten years of experience as a senior project manager/designer with an emphasis of experience in custom residential and light commercial projects.
- A licensed architect in the state of Vermont or willingness to become so. Membership in the national AIA desirable.
- Knowledge/experience of the business operations of an architectural practice to include billing, human resources, client management, and marketing.
- Excellent communications skills required and ability to think and act proactively
- LEED and/or Passive House certifications desirable.
