

PROJECT ARCHITECT

Bull Stockwell Allen is a small award-winning architecture and design firm specializing in resort, hospitality, and recreation projects throughout the United States. We have been in business for 50+ years, working often with repeat clients that we are fortunate to get to count as friends. We are seeking an experienced, creative, and enthusiastic self-starter with exceptional attention to detail to join our Team as a Project Architect.

The ideal candidate will have their architectural license as well as strong organizational skills. They will demonstrate an ability to manage multiple teams with scheduling, budgets, staffing, and project coordination. This candidate should be an experienced architect with a project management focus to strategize effective project work plans and sustain project objectives.

RESPONSIBILITIES

- Manage and develop complex design projects through their different phases of development: programming through construction administration.
- Use creativity and experience to conceptualize and problem solve.
- Coordinate regularly with Clients, BSA Design Team and Consultants.
- Participate in firm business development and interviews.
- Serve as a mentor to less experienced team members.

QUALIFICATIONS + SKILLS

- 5+ years of applicable experience within the architecture profession.
- A Bachelor's or Master of Architecture degree from an accredited institution.
- Licensure as an Architect.
- Exceptional design and presentation skills.
- Proven interpersonal skills with team members, consultants, and clients.
- Production skills, including REVIT proficiency.

Our people are the key to our success. We are an open office environment that understands some of the best design solutions come from diversity and a collaboration of different viewpoints and expertise. We work hard while understanding that a fulfilling work life is best when balanced with a fulfilling personal life.

While we are located in San Francisco, we are seeking a Project Architect to join our remote Team that are based in Vermont. We are an Equal Opportunity Employer. We offer fully covered health, dental and vision benefits for our employees. We also offer PTO, Paid Holidays, Bike Parking, a 401(K) savings plan, and a flexible benefits/cafeteria plan.

Cover letter and Resumes MUST be accompanied by a PDF or link to a Portfolio of Work Samples.
