

Architect and Building Designer

AES Northeast is seeking 2 design professionals to join our Vermont studio.

AES is searching for inspired professionals to join our growing 3-person team located in Williston. We welcome candidates that have a degree in Architecture and a minimum of 4 years of related professional office experience to apply.

Wide ranging responsibilities will include design development, graphic presentation, construction documentation, and project management. We are looking for individuals with building construction knowledge, strong technical skills, and Revit proficiency. Designers who can work collaboratively as well as take on independent assignments.

AES Northeast is a multi-discipline A/E firm of 48 architectural and engineering professionals with a diverse portfolio of residential, commercial, municipal, and industrial projects. AES offers a welcoming, creative, professional work environment with locations in Plattsburgh, NY and Williston, VT.

This full-time position is available immediately. For more information about the position or to submit a resume and portfolio samples, please contact Paul DeDominicas at pauldedominicas@aesnortheast.com.
