

Design Professional

Studio Nexus Architects + Planners, a socially responsible architecture firm based in White River Junction, Vermont, is seeking a talented and motivated full-time Design Professional with approximately 1-3 years of experience to join our team.

Our varied architectural practice focuses primarily on nonprofit institutions, affordable and market-rate multifamily housing, commercial facilities, education, historic preservation, and custom residential projects. The ideal candidate will have the following skills:

- Strong verbal and graphic communication skills, an ability to think creatively and critically, and an eagerness to learn and develop new architectural and design skills.
- Proficiency in Revit is required, along with proficiency in MS Office and familiarity with Adobe Creative Suite is preferred.
- Experience with Enscape, architectural detailing, specifications, and construction documents is highly desirable.
- The position will provide opportunities to work on projects through multiple phases of design and construction documentation while developing technical and professional skills.

We offer full benefits, generous paid time off, and family-friendly working hours, with a flexible hybrid schedule of three days in our White River Junction office and up to two days working remotely each week. The salary will be in the range of \$60,000 – \$75,000 depending on the level of experience.

We encourage and support our staff in pursuing architectural licensure, providing mentoring and compensation to support the licensure process.

Please send a resume, portfolio, and work samples to info@studionexusarch.com.
