

Corporate Allied Partners Program

The significant benefits of becoming a Corporate Allied Partner place your company in the top tier of AIAVT's Allied Member supporters. AIA Vermont's Corporate Allied Partner (CAP) program is specifically designed to foster relationships between our architect and design members, and our Allied members. The benefits of partnership are many, involving exposure, collaboration, and positioning. Take advantage of these opportunities and demonstrate your commitment to a high-quality built environment by becoming a partner today.

Your partnership provides unrestricted support for AIA operations for which you receive **year-round, organization-wide benefits** including the following:
