Vermont High School: _____

Please provide the following materials by June 1, 2016, either mailed as printed material or emailed in PDF format:

1. A 500-word essay describing your commitment to architecture and your goals for architectural education.
2. A portfolio with no more than (10) 8 ½ x 11 images showing your skills in design and/or art.
3. A copy of your acceptance letter from a college or university with an architectural design program.
4. Two letters of recommendation from a teacher, architect, or school administrator attesting to your character and academic strengths.

The AIA Vermont board will give preference to equally qualified candidates who will attend a Vermont institution that teaches architecture: Norwich University, Vermont Technical College, or Middlebury College. For superior candidates accepted to out-of-state architectural institutions, the in-state preference will be waived.
